11.01: Purpose

The purpose of 115 CMR 11.00 *et seq.* is to establish standardized policy and procedures for The Department of Mental Retardation (DMR), and DMR funded or operated programs regarding the review of criminal records of candidates under consideration for employment or regular volunteer or training service in positions at these programs. The Criminal History Systems Board (CHSB) has authorized the Executive Office of Health and Human Services (EOHHS) and vendor agencies to receive criminal record information regarding present or prospective employees in any program operated or funded by such agencies.

11.02: Policy

In order to ensure that employees or other persons regularly providing services or support to any program or facility of the Department of Mental Retardation are appropriate for serving in their positions with potential unsupervised contact, a Criminal Offender Record Information (CORI) check shall be performed on all candidates. It is the policy of EOHHS and DMR that convictions and pending cases of certain crimes may pose an unacceptable risk to the vulnerable populations served by DMR and its vendor agencies. 115 CMR 11.00 sets forth minimum standards. Stricter standards may be set by vendor agencies.

11.03: Scope

115 CMR 11.00 applies to candidates seeking employment or regular trainee or volunteer positions which entail potential unsupervised contact with individuals being provided services by the Department of Mental Retardation or its vendor agency programs. At the discretion of the hiring authority, the scope of 115 CMR 11.00 may be expanded to include volunteers, interns, students or other persons regularly offering support to any program or facility in either a paid or unpaid capacity whose services do not entail the potential for unsupervised contact, upon appropriate certification by the CHSB.

11.04: Authority

115 CMR 11.00 is promulgated pursuant to M.G.L. c. 19B, § 14.

11.05: Definitions

Applicant: Any person seeking employment or a position as a regular volunteer or trainee to provide services for or on behalf of DMR or its vendor agency programs where such employment or position involves potential unsupervised contact with individuals served by the program. Employment includes but is not limited to placement in: state positions; federal positions; positions funded by grants, bonds or other capital outlay; and any vendor agency positions.

Candidate: Any person receiving a conditional offer for employment or a position as a regular volunteer or trainee, subject to the consideration of any criminal record to provide services for or on behalf of DMR or its vendor agency programs, where such employment or position involves potential unsupervised contact with individuals serviced by the program. Employment includes but is not limited to placement in state positions; federal positions; positions funded by grants, bonds or other capital outlay; and, vendor agency positions.

Community Service Worker: Any individual who, as a condition of probation, is applying for a position.

CORI Cleared Employee: Any candidate who was hired as an employee after successfully satisfying the requirements of 115 CMR 11.00.

CORI Coordinator: The person designated by the hiring authority to send requests and receive responses from the CHSB EOHHS CORI Unit.

CORI Investigation: The process of requesting and receiving CORI related to candidates for positions in DMR funded or operated programs.

Criminal History Systems Board (CHSB) EOHHS CORI Unit: The EOHHS sponsored unit within the Criminal History Systems Board which processes requests for CORI information and offers technical assistance with any question arising from the results of a search.

Criminal Justice Official: Either the candidate's probation officer, parole officer or correctional facility superintendent (or designee), depending upon whoever had the most recent responsibility for supervision of the candidate. In cases where the candidate was last supervised in a correctional facility, the candidate may advise the hiring authority of any employee of the correctional facility who may have specific information about the candidate that would assist the superintendent in his/her assessment process.

Criminal Offender Record Information (CORI): Information regulated by the Criminal History Systems Board and maintained by the Board of Probation regarding criminal information of persons within the Massachusetts Court system, or similar information provided by a state or federal agency regarding criminal information of persons within the federal court system or court systems of other states.

Discretionary Disqualification: A candidate shall be ineligible for a position that entails potential unsupervised contact with persons receiving services at a DMR funded or operated program if he or she has been convicted of or has pending any charge for any crime in 115 CMR 11.18: *Table B* or *C*, unless the hiring has complied with the provisions of 115 CMR 11.12.

Final Disposition: The date of release from all custody, probation, or parole, or the date of conviction.

Hiring Authority: The person legally authorized or designated to make hiring decisions within the affected agency, department, office, program, or facility.

Lifetime Presumptive Disqualification: A category of offenses, compiled in 115 CMR 11.18: *Table A*, for which conviction of any such offense results in a presumption of disqualification for employment or other service which entails potential unsupervised contact with persons receiving services in any DMR funded or operated program, due to the presumed unacceptable risk posed by the nature of the crime to persons receiving services. A lifetime presumptive disqualification shall become a discretionary disqualification if:

11.05: continued

- (a) the candidate's criminal justice official concludes in writing that the candidate, within the position sought, does not pose an unacceptable risk of harm to the persons served by the program; or
- (b) the criminal justice official has been determined by the hiring authority to be unavailable or has indicated to the hiring authority that she has insufficient information to render an assessment, then the hiring authority may seek an assessment of the candidate's risk of harm from a qualified mental health professional and the qualified mental health professional concludes in writing that the candidate, within the position sought, does not pose an unacceptable risk of harm to the persons served by the program.

No Record: The conclusion from a CORI search that applicable criminal records relating to the candidate have not been found. A finding of "no record" does not necessarily mean, however, that criminal information is not present in the CORI database.

Pending: A criminal offense shall be considered pending if the CORI report indicates that the offense remains open and without final resolution, including that the case has been continued without a finding or requires the continued supervision of the court.

Position: Employment, service by a regular volunteer, or trainee.

Potential Unsupervised Contact: Potential for contact with a person who is receiving or applying for DMR services when no other CORI cleared employee is present. A person having only the potential for incidental unsupervised contact with clients in commonly used areas such as elevators, hallways and waiting rooms, shall not be considered to have the potential for unsupervised contact for purposes of 115 CMR 11.00. These excluded areas do not include bathrooms and other isolated areas (not commonly utilized or sight and sound separate from other staff).

Qualified Mental Health Professional: A psychiatrist, licensed to practice medicine under M.G.L. c. 112, § 2, a psychologist, licensed under M.G.L. c. 112, § 118 through 121, or a licensed independent clinical social worker licensed under M.G.L. c. 112, § 130 through 132; provided that the psychiatrist, psychologist, or licensed independent clinical social worker (LICSW) has at least 1,000 hours of experience over a minimum of two years involving assessment, treatment, and consultation concerning individuals with behavior that presents a risk of harm to others in the community, in the workplace, in treatment settings, or in correctional facilities; provided further that the psychiatrist, psychologist, or licensed independent clinical social worker has not provided treatment to the candidate.

Trainee: Any person enrolled in an academic program or participating in a pre or post-doctoral training program that is affiliated with an accredited educational institution or hospital, who receives a placement within DMR or a vendor agency program.

Vendor Agency Program: Any individual, corporation, partnership, organization, trust, association or other entity funded, licensed, or contracted to provide services to persons served by DMR.

Volunteer: Any person who works in an unpaid capacity for DMR or a vendor agency program. For the purposes of 115 CMR 11.05: Volunteer, an individual receiving services from a facility or program who provides unpaid services at that facility or program shall not be considered a volunteer at that facility or program.

Work Release Program: A program of unpaid work performed by any individual who is under the custody of the state or county correctional system.

11.06: Applicant Disclosure of Criminal Record Information

All applicants for a position with DMR or a vendor agency program shall complete an application form that contains a section requiring the candidate to disclose whether or not he/she has a criminal record and what crimes, if any, he or she has been convicted of, consistent with M.G.L. c.151B, § 4, para 9. The application shall not require a candidate to disclose:

11.06: continued

- (a) an arrest, detention, or disposition regarding any violation of law in which no conviction resulted; or
- (b) a first conviction for any of the following misdemeanors: drunkenness, simple assault, speeding, minor traffic violations, affray, or disturbance of the peace; or
- (c) any conviction of a misdemeanor where the date of such conviction or the completion of any period of incarceration resulting therefrom, whichever date is later, occurred five or more years prior to the date of such application for employment or such request for information, unless such person has been convicted of any offense within five years immediately preceding the date of such application for employment or such request for information. No application for employment shall be considered complete unless the candidate completes 115 CMR 11.06.

11.07: Community Service and Work Release Workers

DMR or any vendor agency that participates in either a criminal justice related community service program or a work release program shall require all individuals who participate to disclose his/her criminal record in conformance with 115 CMR 11.06. In addition, as a condition of participation, the criminal justice official must conclude in writing that the individual will not pose an unacceptable risk of harm to individuals receiving services from DMR or will be supervised at all times.

11.08: Hiring Authority Responsibilities

- (1) The hiring authority shall ensure that each candidate provides consent to a CORI investigation as part of his/her application, and to the periodic conduct of further CORI investigations during the course of employment with DMR or the vendor agency program. The hiring authority shall also inform the candidate that his or her CORI may be utilized by the criminal justice official or qualified mental health professional conducting themselves in conformance with 115 CMR 11.07, 11.11(1), 11.12(1), and DMR personnel responsible for carrying out the provisions of 115 CMR 11.15 and 11.16. Such consent and notification shall be included in the hiring authority's employment application form.
- (2) The hiring authority shall require, as a condition of an offer of employment, the completion of the CORI investigation. The hiring authority shall confirm an offer of employment only after the hiring authority receives written confirmation that the criminal record investigation has resulted in a finding of "no record" or until the hiring authority has complied with all sections of 115 CMR 11.00.
- (3) The hiring authority shall review positive findings from the CORI investigation.
- (4) The hiring authority shall not permit any candidate to commence employment or volunteer service until after the candidate is cleared as a result of the CORI investigation in accordance with 115 CMR 11.00.

11.09: CORI Investigations

- (1) All candidates shall complete a CORI Supplement (authorization) form.
- (2) After the hiring authority makes a conditional offer to hire or accept the services of an individual, the completed CORI Supplement form or electronic equivalent shall be sent to the CHSB EOHHS CORI Unit.
- (3) All CORI investigations that result in a finding of "no record" shall be transmitted back to the hiring authority and shall be sufficient evidence of suitability for hire for 60 business days. A "no record" finding may be valid for consideration for other positions during such 60 days.

11.09: continued

- (4) All CORI investigations that show findings of criminal records shall be sent immediately to the hiring authority for review and action consistent with 115 CMR 11.00.
- (5) All hiring authorities shall develop procedures which will ensure that DMR can audit compliance with 115 CMR 11.00.

11.10: Findings from CORI Investigations

- (1) If the CORI investigation reveals a finding of "no record," such finding shall be documented in the candidate's file.
- (2) If the CORI investigation reveals a "lifetime presumptive disqualification" on the candidate's record, the candidate shall be informed by the hiring authority that he or she is ineligible for any position which has the potential for unsupervised contact with persons receiving services in a DMR funded or operated program, unless the provisions of 115 CMR 11.11 and 11.12 are complied with.
- (3) If the CORI investigation reveals a "discretionary disqualification" on the candidate's record, the candidate shall be informed by the hiring authority that he or she is ineligible for any position which has the potential for unsupervised contact with persons receiving services in a DMR funded or operated program, unless the provisions of 115 CMR 11.11 and 11.12 are complied with.
- (4) If the investigation reveals that the candidate has an outstanding warrant for any offense, the candidate shall be informed by the hiring authority that he or she is ineligible for any position which has the potential for unsupervised contact with persons receiving services in a DMR funded or operated program, unless the warrant is removed.

11.11: Disqualifications

(1) Lifetime Presumptive Disqualification. A candidate shall be ineligible for a position in a DMR funded or operated program which entails potential unsupervised contact with persons receiving services if he or she has been convicted of any of the crimes listed in 115 CMR 11.18: *Table A* or if he or she has any pending charges involving crimes listed in 115 CMR 11.18: *Table A*, unless:

- (a) 1. the candidate's criminal justice official concludes in writing that the candidate, within the position sought in a DMR or vendor agency program, does not pose an unacceptable risk of harm to the persons served by the program; or
- 2. if the candidate's criminal justice official has been determined by the hiring authority to be unavailable or has indicated to the hiring authority that she has insufficient information to render an assessment, then the hiring authority may seek an assessment (the cost of which shall be borne by the hiring authority) of the candidate's risk of harm from a qualified mental health professional and the qualified mental health professional concludes in writing that the candidate, within the position sought in a DMR funded or operated program, does not pose an unacceptable risk of harm to the persons served by the program; and
- (b) The hiring authority has complied with the provisions of 115 CMR 11.12.

(2) Discretionary Disqualification. A candidate shall be ineligible for a position in a DMR funded or operated program which entails potential unsupervised contact with persons receiving services if he or she has been convicted of or has pending any of the crimes listed in 115 CMR 11.18: *Table B or C*, or if he or she has any pending charges involving crimes listed in 115 CMR 11.18: *Table B or C*, unless the hiring authority has complied with the provisions of 115 CMR 11.12.

11.12: Provisions for Review of a Candidate in any Discretionary Disqualification Category

(1) Each candidate for whom the CORI investigation reveals a "lifetime presumptive disqualification" who has otherwise met the requirements for further consideration set forth in 115 CMR 11.11, or a "discretionary disqualification" shall, unless the hiring authority has decided to withdraw the conditional offer of a position, receive additional review by the hiring authority to determine if the candidate poses a danger to the persons served by the program within the position sought. In reviewing the candidate's appropriateness for employment given the concern for client safety, due weight shall be given to the following factors:

- (a) Age of the conviction;
- (b) Age of the candidate at the time of the offense;
- (c) Seriousness and specific circumstances of the offense;
- (d) Relationship of the criminal act to the nature of the work to be performed;
- (e) The number of offenses;
- (f) Any relevant evidence of rehabilitation or lack thereof;
- (g) Vulnerability of individuals being provided services
- (h) Any other relevant information, including information submitted by the candidate or requested by the hiring authority.

Information considered pursuant to 115 CMR 11.12(1)(g) may include documentation from the candidate's criminal justice official, if not already supplied, pursuant to 115 CMR 11.11(1), treating professional, or other knowledgeable source such as police, courts or prosecuting attorneys.

(2) Following the review, the Hiring Authority shall determine whether:

- (a) To hire the candidate based upon a determination that the candidate does not pose a danger to the individuals being served; or
- (b) To not hire the candidate.

Nothing herein shall be construed as preventing the hiring authority from deciding not to hire the candidate for any reason unrelated to information contained in his/her criminal record.

(3) If a decision is made to hire the candidate, the hiring authority shall make a written determination of such decision, documenting the considerations outlined in 115 CMR 11.12(1)(a) through (h), and the rationale that the candidate's hiring for the position sought does not pose a danger to the individuals served by the program.

(4) The Hiring Authority shall, upon the decision to hire the candidate, immediately submit such written determination to the Commissioner of DMR.

- (a) If the candidate has been convicted of or has a pending charge for any of the crimes listed in 115 CMR 11.18: *Table A* or *Table B*, the Hiring Authority shall not proceed to hire the candidate for five business days during which time the Commissioner may, after review of the determination disapprove the hire.
- (b) If the candidate has been convicted of or has a pending charge for any offense in 115 CMR 11.18: *Table C*, the Hiring Authority may proceed to hire the candidate, unless the provisions of 115 CMR 11.12(6) apply.

(5) DMR shall conduct an annual review of such written determinations for candidates with crimes listed in 115 CMR 11.18: *Table C* to ensure the compliance with 115 CMR 11.10, 11.11 and 11.12.

(6) Based on the annual review pursuant to 115 CMR 11.12(5) or other relevant information obtained by DMR that raises concerns about the Hiring Authority's compliance with these requirements, DMR may require the Hiring Authority to submit such written determinations prior to hiring the candidate. The Commissioner shall have five business days following receipt of the determination to disapprove the hire. DMR may require the Hiring Authority to follow such prior review process for as long a period as it determines is necessary to ensure that the hiring authority is complying with 115 CMR 11.10, 11.11 and 11.12.

11.13: Exemption from Certain Requirements

DMR may grant a funded or operated program an exemption from the requirements of 115 CMR 11.12(3) and (4)(a) upon a determination by DMR that an exemption is warranted following consideration of the following criteria:

11.13: continued

- (1) The service needs and level of vulnerability of the individuals served by the program;
- (2) The potential benefits and risks to those clients as a result of the exemption;
- (3) The hiring authority's capacity to perform the review required by 115 CMR 11.12.

If DMR grants the exemption, it shall document the basis for determining that the exemption is warranted, including providing its assessment of the level of vulnerability of the clients served by the program. No program shall be eligible for an exemption pursuant to 115 CMR 11.13 if it serves a population that is primarily 65 years of age or older:

11.14: Dissemination

CORI records may be disseminated only to individuals certified by the CHSB to receive such information, such as the hiring authority or CORI Coordinator. The Hiring Authority shall maintain a listing of persons so certified. Willful dissemination of Criminal Offender Record Information to unauthorized individuals is punishable by a jail sentence of up to one year and/or a fine of \$5,000 in addition to civil penalties, pursuant to M.G.L. c. 6, § 178.

11.15: Agency Audits

DMR shall periodically review statistical information on all CORI requests and investigations maintained by each hiring authority. DMR shall, in addition, make further requirements for checking CORI findings and the interpretation of such findings by the hiring authority.

11.16: Incidents

Any hiring authority who receives an allegation that a DMR or vendor agency employee with a positive CORI history has harmed an individual receiving services from DMR shall immediately report the allegation to the Commissioner of DMR. Notification shall include documentation of the hiring decision of the hiring authority.

11.17: Severability

If any provisions of 115 CMR 11.00, or the applications of such provisions to any person or circumstance are held invalid or unconstitutional, the other provisions of said 115 CMR 11.00, or the application of such provisions to any person or circumstance other than that as to which it is held invalid or unconstitutional, shall not be affected thereby.

11.18: Table of Offenses

All of the offenses included in 115 CMR 11.18: *Tables A, B and C* are to be construed as including all violations of Massachusetts law or like violation of the law of another state, the United States, or a military, territorial or Native American tribal authority. The hiring authority shall contact the CHSB EOHHS CORI Unit whenever a CORI investigation reveals an offense that is not included in any of the tables and it appears similar in seriousness to included offenses. The CHSB EOHHS CORI Unit in consultation with the EOHHS General Counsel shall determine, taking into account the purposes of 115 CMR 11.00, if the offense is similar to one of the included offenses. If it is determined to be similar, then it shall be considered to be included in the same table as the included offenses. If it is determined to be dissimilar, then it shall be considered for inclusion into the appropriate table through the regulatory process. Nothing herein shall preclude the hiring authority from considering any criminal conviction not included in any of the tables.
